

KM 70/15 C

Beautiful formed push sweeper for cleaning small indoor and outdoor areas. Area performance up to 2800 m²/h. Little force to push and high agility. Dust-poor sweeping due to controlled air flow and dust filter. The main roller brush is driven via both wheels which leads to an outstanding sweeping result in right and left curves. The stepwise adjustable side brush allows an optimal adjustment to the floor and the sweeping objects. Space-saving storage and easy to transport due to the low weight.

1 Main sweeper roller drive

- The main sweeper roller is driven by both wheels - for excellent results when turning to the left or right.

3 Large dirt hopper

- Ergonomic container handle for easy handling and emptying.

2 Adjustable push handle

- Excellent ergonomics thanks to three height positions.
- Foldable for space-saving storage.

4 Dustpan principle

- For direct dirt pick-up.

KM 70/15 C

- Roller brush driven by both wheels
- Fold-down push handle
- 4x adjustable side brush

Technical data

Order No.	1.517-151.0	
EAN code	4039784718067
